step-by-step instructions

1 Prepare the ingredients & start the sausage

Wash and dry the **spinach**. In a large pan (nonstick, if you have one), heat a drizzle of **olive oil** on medium-high until hot. Add the **sausage**. Cook, stirring frequently and breaking the meat apart with a spoon, 4 to 5 minutes, or until browned.

2 Make the sauce

To the pan, add the **tomato sauce**, **3/4 cup of water** (carefully, as the liquid may splatter), and **as much of the chile paste as you'd like**, depending on how spicy you'd like the dish to be; season with salt and pepper. Cook, stirring frequently, 2 to 3 minutes, or until combined, slightly thickened, and the sausage is cooked through.

3 Finish & serve your dish

To the pan, add the **pasta**, **mascarpone**, and **spinach**; season with salt and pepper. Cook, stirring frequently, 1 to 2 minutes, or until thoroughly combined and the spinach is wilted. Turn off the heat. Serve the **finished pasta** garnished with the **romano**. Enjoy!
